Create It Comp Entry Permission Form

The Create It Comp is a competition run by Engineers Australia. To enter, students draw a product design and write a description. There are two school categories – primary and high school. Parents or guardians need to give permission for students to enter. The prize for each category is an iPad Pro 11in and an Apple Pencil. More information is available here: 100yearsea/com.au/create-it-comp

Student first name			
Student last name			
School name			
School address			
State		Category of entry	

I, _____, give permission for my child to enter the Create It Comp.
